Member Rules for Arena Use

1. All persons using the arena MUST be a member in good standing (new membership form signed and membership dues paid or membership renewed appropriately).
2. All persons using the arena must sign a 'Member Rules for Arena Use' form. (Form is valid for the entire duration of active membership and form does not need to be re-signed each year).
3. Any member who has been provided access to the arena is provided the arena codes in confidence and is expected to NOT SHARE the codes with any other person.
4. When arena use has concluded, the arena shall be secured and all gates locked.
5. Any trash brought onto the grounds shall be hauled out and not placed in any trash receptacles.
6. If hoses are used in the wash rack area, hoses shall be rolled up and returned to their original condition or placed in an orderly fashion, up against the clubhouse. (This ensures hoses are not 'run over' or 'mowed over' if any maintenance is performed in the wash rack area.
7. Please adhere to the golden rule 'You Break You Buy'. This applies to any chains, hoses, trees, etc. Please replace any items that you may have damaged and please be sure to notify a board member immediately if any damage occurs on grounds.
8. Please be courteous to our neighbors and ensure any noise, including music, is at appropriate levels.
9. Please clean up any droppings from your animals, (horses, dogs, etc.), and haul out with you.
10. Please be sure to secure any driveway opening to the property, by latching the chain gates, after you've exited.

*By signing this form, you agree to the rules as stated above. Violation of any of the above stated rules is grounds for revocation of arena use. Circle D Horsemen's Assoc, Inc board reserves the right to revoke arena use, at any time.
